

Running a business requires passion, imagination and long hours of hard work.

Today, we have access to an incredible amount of technology that can help us operate our business more efficient, effective and maximize your revenue and lower your cost of operation...

Sounds familiar? ... it does and we're not experts on everything and sometimes we need help...

Think about ...

- Not happy with your business?
- Low profits?
- Loosing customers?
- Old or no business cards?
- Website, facebook, etc not working?
- High cost of operation?
- Bookkeeping problems?
- Not so good Customer Service?
- Slow computer?
- Working too many hours?
- Have a business plan?
- Stay in contact with clients?
- No marketing paln?

All (or most) of the above happen in any business, including yours!

What we do:

- Business strategies.
- Financial planning.
- QuickBooks & Sage support.
- Bookkeeping
- Computer solutions.
- Virtual office.
- Customer service programs.
- Marketing & sales material design.
- Graphic design & Websites.

How we do it:

- Personalized service.
- Straight answers.
- No "cookie cutter" plans.
- Common sense.
- No "by the hour" cost.
- We don't do "Consulting", we work with you.!

If you have an idea but not sure how to start your business, or you already have one and want to do better; a phone call can make a big difference.

We have been in business for over 30 years.

"Getting together is a beginning; keeping together is progress; working together is success."
